We have enclosed the additional information that you requested along with a copy of the original filing and two additional months of bank statements. There has been no change in the original information submitted to you. Also, we have enclosed a letter from Robert Evans, CTN Television Network concerning our request for captioning. The CTN Network covers the majority of our stations. He notified us further that they are exempt from captioning due to several FCC rules.

Also, our other stations are exempt due to their revenues.

All statements made in this affidavit are true to the best of my knowledge.

Thank You,

A handwritten signature in cursive script that reads "Charles A. 'Tony' Sellars".

Tony Sellars/ The Christian Angler Outdoors,

Thank you for your inquiry concerning your request for closed captioning services from CTN. At this time it is not economically feasible for our Lifestyle Channel, as a non-profit ministry with limited donations (Section 79.1(d)(12)), to offer captioning services to our programmers at no cost. We can however refer you to several different captioning services that range anywhere from \$150 - \$450 per half hour. We do have several programmers that have received an exemption from the FCC as noted below. I've also included the FCC's rules for exemptions below for you as well.

If I can be of further help or answer any additional questions for you, please don't hesitate to contact me.

Blessings,

Robert Evans

This is in response to the recent Order by the Federal Communications Commission reversing the closed captioning exemption that we received in September 2006 for "The Christian Angler Outdoors Television Show", a unit of Anglers for Christ Ministries, Inc., a 501c3 non-profit organization. This exemption was granted due to undue economic burden. We are prepared to prove that reversing this captioning exemption will continue to create an undue burden to Anglers for Christ Ministries, Inc.

We at Anglers for Christ would like it clearly noted that this is in no way trying to discriminate against the hearing impaired. We would hope that everyone would be able to watch "The Christian Angler Outdoors". Furthermore, we do not look forward to the demeaning "hate" mail we received after the last ruling.

The Christian Angler Outdoors is a faith based outdoor fishing program. This program is produced in house by an all volunteer staff. Any sponsorship on this show is "product only". AFC Ministries, its staff, host or director are in no way financially compensated by the airing of this show. Any expense incurred by the production of this show is paid by donation only or by my personal household. We do not pay air time charges to air our show. Our stations (mostly Christian cable stations) air our show free of charge. We have been given an estimate of avg. \$200.00 per show to caption our program. We produce 13 shows per season. Anglers for Christ Ministries, Inc. operates solely on donations. This includes the television show; kid's fishing camps, other activities and office costs. Enclosed is additional documentation.

Our request is that the FCC grants Anglers for Christ Ministries, Inc. a two year extension for "The Christian Angler Outdoors" to caption any new shows produced. Shows for 2012 have already been produced and have begun airing. We are asking to begin captioning with our 2014 season. Our reason for asking for this additional time is to secure sponsorship for our captioning. We have recently seen substantial movement in a financial sponsor whom we've been negotiating with for three years. Hopefully this will be secured this spring. This sponsorship is necessary for us to obtain captioning and

to further produce our program. We feel at this time, during this slow economy closed captioning would create an undue burden that could possibly stop the production of this program.

Sincerely,

A handwritten signature in black ink that reads "Charles A. 'Tony' Sellars". The signature is written in a cursive, flowing style.
